I have used this for fastening small fencing in the fields to tacking carpet on a staircase. This was my #1 tool when I worked the local county fair for signs, flagging, and twine for larger signs. Good for the home shop when repairing chair coverings, valences for windows and carpeting for the staircase.Written by a arrowfastener.com customer.Helpful?December 5, 2013this staple gun is great!! no matter the length of the staple, the gun has the ability to completely seat the staple each time.no need to go back and hammer down the staple! a great time saver!!Written by a arrowfastener.com customer.Helpful?December 9, 2013This product does exactly as expected. It helps in getting the project done in record time, and I have had perfect staples every time I have used this product, thus far. I love it.Written by a arrowfastener.com customer.Helpful?Dear kingcowboy11, Thank you for the review. I'm glad you're projects are completed in record time. Jodie December 6, 2013i like the stapler.-I replaced an old one that I gave away to my son. It is easy to use although the handle is hard to push until it gets broken in. Would recommend this tool.Written by a arrowfastener.com customer.Helpful?December 2, 2013This staple gun is perfect for temporarily tacking up Christmas decorations without leaving big holes in my trim work!Written by a arrowfastener.com customer.Helpful?Customer Q&AGet specific details about this product from customers who own it.Walmart Protection PlansMost items come with a limited manufacturer's warranty.
